## *Superintendent's Message*

Seniors of the Class of 1960, congratulations on being the first class to graduate as students of Clear Creek School District No. RE-1. For the first time in the history of Colorado the senior students of Clear Creek County will graduate as one fine class.

Reorganization has made our school one of the best in the state. Credit goes to you students for your desires and wishes to have the best, to your parents for the excellent and fine support of our schools, to the people of Clear Creek County who had foreseen such a vast educational program and its implications and supported it fully.

Your future lies ahead. Some of you will continue to college, others will go into industrial fields, and others into making preparations for life and its complicated processes. Just remember, the doors of success are open to one and all. Success can be yours if your desires are strong, your wishes sincere, your aims high, and your efforts ceaseless.

Congratulations on being such a fine class.

So, to the Class of 1960, may I wish you success, happiness and good health.

Sincerely

*Steve Glasua*

## *Principal's Message*

It has been an esteemed pleasure in having the opportunity to serve as your high school principal this year and I sincerely hope that my actions have warranted such an important position in your school.

Congratulations are in order for the entire student body; more especially the Senior Class of 1959-60. It is through your tireless efforts that this wonderful edition of the "Golddigger" has been made possible.

Having graduated from high school you are more capable of taking your place in society and fulfilling the obligations that will be invested with you. In parting, I would like to wish for each student the very best in life and "May God Bless You!"

Sincerely

# Class History

Formal education for the members of the class of 1960 began in the fall of 1947 when the kindergarten met in the old grade school building under the guiding hand of Miss Margaret Carlson. Members of that group were Jack Tribble, Bruce Edwards, Joyce Smith, Lela Foster, Dierk Brown, Diane Wamsley, and Ron Kamby.

During the following year Miss Carlson, with the help of Fabian Allan, again directed the activities of the crew. New additions in this, the first grade, were Judy Kiefer, Russ Surber, Bob Payne, Barbara Holman, and Willie Groves.

The third plateau was reached when, in 1949, Dorothy Kellenbenz became supervisor of our group. That year we were joined by Ruth Noble, Mag O'Donnell, and Buck Shrader.

We began the fourth level of learning in the fall of 1950 under the direction of Miss Pearl Ford; the number of the class was not changed that year.

The fourth grade class was joined by Jeanie Tiedemann, Milan Gage, Ford Craig, and Harriet Tonn. Guiding the group that year was Belle Schneider.

Mr. Joe Vanchena became manager of the crew for the fifth grade year. The newest member of the class was Dave Ficklin. (Oh, Davey!)

Annette Long Anderson supervised the education of the sixth grade class. We learned to dance that year and Lynn Doyle joined our fast-growing group.

In the seventh grade we gained Marian Poulson. Mr. Robert Shimmel guided the class through their first experiences of junior high school.

Then followed a very exciting eighth grade year, and, although there were no names added to the class roll, a new and beautiful grade school was being occupied for the first time. Mr. Werner Pohle acted as foreman of the class.

Finally, in September of 1956, the Class of '60 entered Idaho Springs High School as freshmen. Besides the old members, Wayne Disque, Jerry Romarine, Fred Powell, Barbara Churchey, Mary Preskar, and Lynn Miles were now a part of the group. It was then that we also gained Dr. Robert Kainer, who that year guided us through freshman initiation and the tragic burning of our bonfire by persons unknown. Our first year in high school was one of parties and fun!

With Dr. Kainer as our class sponsor, we started our sophomore year with two new additions, Eladio Garcia and Mary Horn. It was a time of hard work both scholastically and athletically. But fun prevailed and we ended the year with a gay trip to Lakeside Amusement Park.

As our junior year began, we gained Dave Ficklin, who had left us in 1954, Wes Cannady, Ron Sampson, and Clyde Ruonovar. Mrs. Ann Williams and Dr. Kainer were co-sponsors of our class. It was an exciting year in which we presented our class play, "The Night of January 16th," and hosted the Junior-Senior Prom, "Enchanted Garden." We also participated in the all-school pageant celebrating one hundred years of Colorado history.

Reorganization brought four Georgetown students to our class in the fall of '59. They are Bettsy Haines, Jerry Buckley, Fred Leighton, and Florence Griffin. Also joining our class were Alec Hitchman, Bob Sutter, Dennie Borgens, and Jim Bennett. With Dr. Kainer and Mr. Mackey guiding our class activities, we have had a very successful year which was highlighted, of course, by the long-awaited senior sneak trip. With graduation at hand we are near the end of our journey through the Idaho Springs public schools. To the fine people of Clear Creek County who have made our education possible goes our deepest gratitude. We shall strive to be a credit to our school and all it has come to mean to us.
