# *We May Never Pass This Way Again*

Life so they say is but a game  
and they let it slip away . . .

Love like the autumn sun  
should be dying but it's  
only just begun . . .

Like the twilight in the road  
up ahead, they don't see  
just where we're going  
and all the secrets in  
the universe . . .

Whispers in our ears and all  
the years will come and go  
and take us up always up.

We must gather  
all our courage . . .

Dreams so they say are  
for fools and they let  
them drift away . . .

So I want to  
Laugh while the  
Laughing is easy . . .

I wanna cry  
if it makes it  
worthwhile . . .

Cause you make me feel like I'm more  
than a friend . . .

Like I'm the Journey and you're the Journey's end.

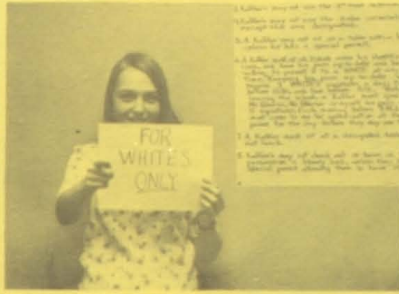

Cast away our fears and all the years will come and go.

- MARGIE ORR: I leave all the knowledge CCSS has to offer to anyone who is willing to work for it.
