# Office Staff

The office and counseling staff does an amazing job at organizing everything in the school. Thank you to everyone in the office!

Clubs are a great way to get involved in school activity. From D2D to We the People, there are a variety of things to do at CCHS.

# Color Guard

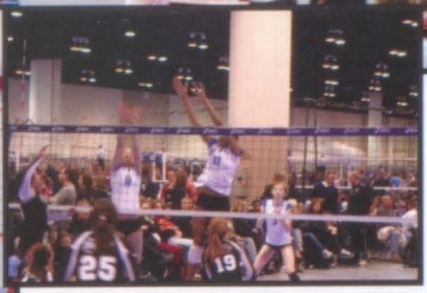

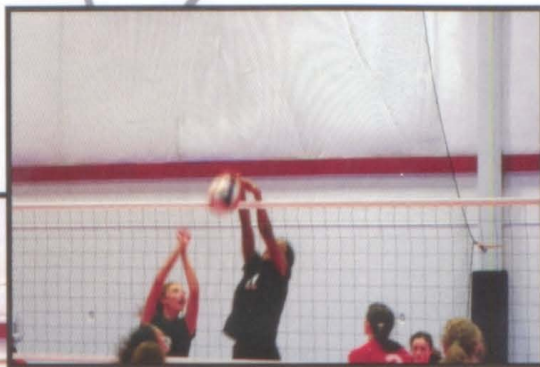

Color Guard is a great and fun way to show school spirit. This is the first time in many years that Clear creek has been able to wave our school colors. Don't be mistaken, color guard requires a lot of arm strength and coordination, if anyone lacks in those top two areas it could be dangerous to anyone around them. GO BIG BLUE!

Dusters To Diggers is a peer mentoring program for the incoming freshman. The goal is to help them through their first year of high school, get in to a routine, and make sure their grades are good. We help them with any problems they may have or come in contact with. We do a lot of fun activities during an access, Like dodgeball and relay races that are team building. There are fundraisers we have done as well like an ice cream social and haunted trail. We have accomplished a lot in this program.

## Cross Country

Above: Terry, the girls Cross Country captain, is sprinting to turn this race into a success.

The 2010 cross country season was a big success for both the girls and the boys teams. A preview of the success was evident early in the season with a fine showing at the Horizon High School meet held at the Adams County Fairgrounds. Both teams placed first at the Platte Canyon Invitational. The notoriously muddy Kiowa course was little problem where the girls placed 2nd, while the boys cruised to a 1st place finish. This was followed up by a tremendous showing by the boys team at the Horizon/Runners Roost Invitational, where they placed 5th. At the Frontier League Championships the girls finished 2nd, the highest finish for the girls team in the past decade and the boys defended their reign of the league championships for the fourth consecutive year. The Golddigger boys finished fourth at the regional race and qualified for the state championship. Teri Heffner and Krista Hatrick both qualified as individuals for the state meet. At the state meet, the boys finished 15th overall. Teri and Krista finished 74th and 91st respectively. Overall, Another successful season for the Golddigger Harriers.

Above: Couch Miller glad his team has prospered.

“Cross Country is like a family, we put high standards for the team and each other.”  
 Sebby Andrade

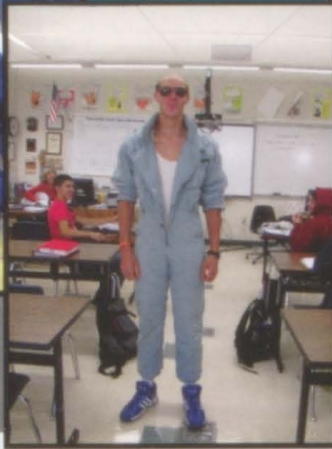

“We always set goals for ourselves and the team.”  
 Jacob Cook

“Running is a love and hate relationship.”  
 Jane Fillion

“This year was special, because for the frist time the girls team had nearly as much success as the boys team.”  
 Coach Miller

# Coming into something big

“Varsity is a fast moving game.”

*Amber Gallegos*

“I like Varsity because it's more of a challenge.”

*Allyson Huff*

“I like both JV and Varsity basketball. Varsity I like because of the skills and JV brings things all together.”

*Haleigh Washington*

“I think they are equally good (Varsity and JV), I like both.”

*Sydney Bronson*

The girls basket ball teams were eager to win. In the long run they won in spirit; each and every one of them.

The Digger Varsity girls had a great year this year throughout their hard work and dedication to their team. They finished close to a 14-6 record with 9-2 record in the Frontier League. Coach Ackerman and his team worked hard for this well deserved season record.

# On a Perfect Friday Night, We Wa BLO

"I have found that the style of basketball is different from country to country. In America it is physical, focused on defense, and fast. It is not like it isn't fast and physical in Germany but in my home country we focus on defense, and executing our offense and not so much on offensive transition. To be honest, I like the style out here better than back home because I like to break the opponents defense by playing fast. I had to adjust a lot during the pre-season but I think our team is getting better and better by time and it is a lot of fun to play for Coach Schuessler. It is definitely the best experience that I have had so far with basketball and athletics in general."

## *A word from our Captain*

"The Clear Creek High School Varsity Basketball team is excelling this year. Even though we have a young team this year with no seniors, different players have stepped up in different ways during every game for us. The great thing about this year's team is that there isn't one or two breakaway players, just a bunch of guys willing to work hard for wins. We manage to have a little bit of fun, too."

- Sebby Andrade #11

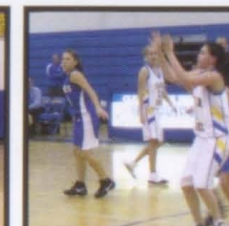

# JV Boy's Basketball

The 2010-2011 JV boys Basketball team is very promising. These players will continue to learn and excel and will have very close and strong Varsity in a few years, They will also help new basketball players become welcome and part of the team.

# Ski Team

2010-2011

With Coach Fredell as the alpine coach, and Coach Miller leading the nordic team, Clear Creek has notoriously become an extremely successful team. Last year, at the closing of 2010, it was brought to the attention of the ski team coaches and members that the school would no longer be able to fund the team, and with that, it might be discluded in the future years to come. In no way would Mr. Fredell, and the participants of ski team allow that to happen. And so, with hard work and dedication, the team raised thousands, and are still keeping the team alive with incredible talents, efforts, terrific attitudes, and dedication.

*"It's always nice to be on ski team because you meet people who love skiing, and have similar interests." - Alex Skladanowski*

*"Ski Team is like a family, it's fun, and it teaches you life skills that you can use in the future." - Didier Bonnette-Forenz*

*"The funnest thing about ski team is missing school, and of course the racing!" - Hunter Tonn*

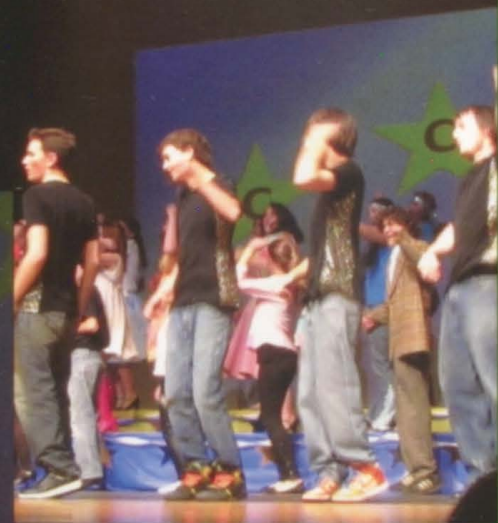

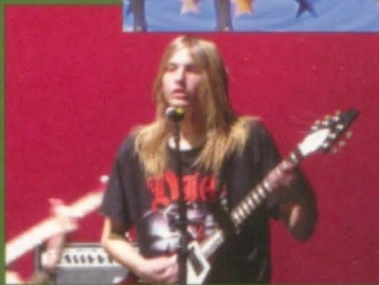

**"This team is hardworking, and is also mixed with veterans and rookies; all of which are extremely dedicated to improving their skills in skiing, and also getting down the mountain faster." - Mr. Fredell**

**"It's nice to see the new comers and freshman improving so quickly, and working so diligently." - Mr. Miller**

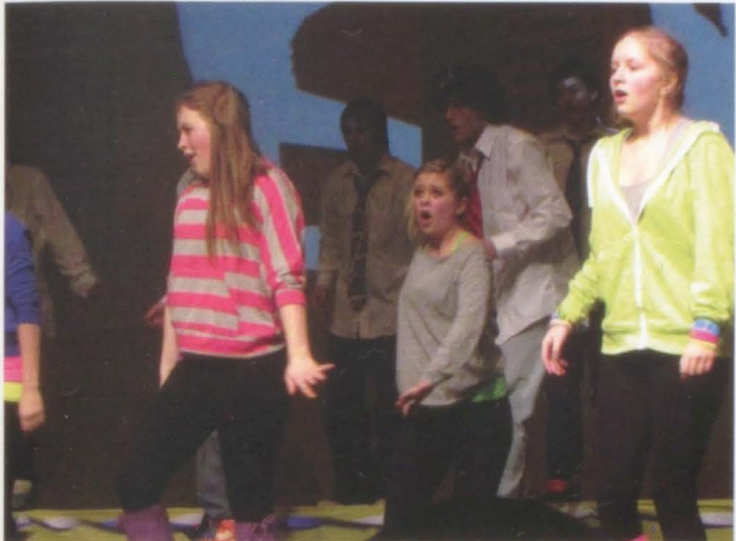

2011, CCHS talent show was **PACKED** with talent, all of the kids who participated in it excelled.

Congratulations to Autumn James and Jane Conelley who placed first in the talent show. Great job to everyone and a special thanks to Mrs. Dykstra for putting the whole show together!

# In loving Memory of Doug Johnson and Bob Warmack

Doug Johnson worked with students in Clear Creek School District since 2006. He was a well respected detention and in-school suspension supervisor as well as a track coach for the middle school. During his time here in Clear Creek, he developed positive relationships with many students from 7th through the 12th grade. We all miss seeing Mr. Johnson around the building and on the track.

Mr. Bob Warmack dedicated 28 years of his life to CCHS. He was a Social Studies teacher as well as a boys and girls basketball coach. He is responsible for the success of our school's We The People program and has many accolades associated with his dedication to education. January 19th is officially Robert Warmack day in the Clear Creek School District.

# Club Soccer

**Ally Huff**

This fall Hannah Wescott and Rachelle Talbot played for the U-18 girls Stingers soccer club in Evergreen. Rachelle played forward for the Stingers and Hannah played outside midfield. The team had a very successful season finishing 12-3 as well as winning the Broomfield Blast tournament. Hannah and Rachelle Both look forward to playing next fall, as well as this spring with Clear Creek.

# Ice Skating

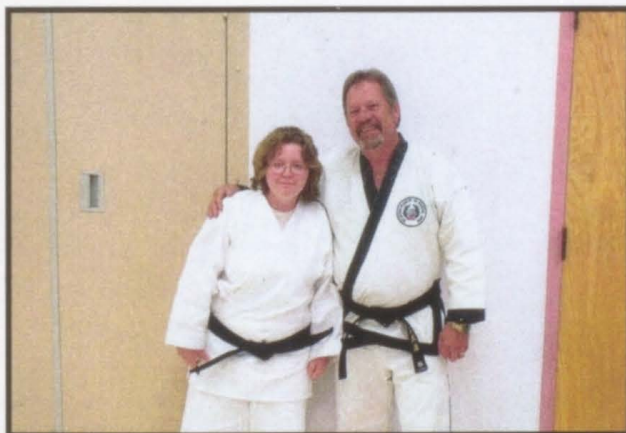

**Gabrielle Talbot**

Gabrielle was first put on ice just before her third birthday and has loved it ever since. She has competed individually and in duets, while completing moves and dance tests in order to skate on a synchronized team. With her synchronized skating team she has qualified for Nationals 7 times and has held the title of 8th in the Nation while also winning many Sectional and Individual competitions. Gabrielle will pursue her passion of synchronized skating in college and hopefully qualify for Worlds.

**Jody Nelson**

Jody Nelson has been in Tae Kwon Do for seven years, and is a 1st degree black belt. She likes sparring, and kicking face. She started when she was nine years old, and has loved it ever since. She is now a assistant teacher for The Clear Creek/ Gilpin County Academy of Martial arts.

Poms team has had an extremely successful year. Making a comeback last year with new dance moves, satisfactory results from hard work ethic, and summer training at numerous dance camps. This year was yet another success. Mrs. Dkystra and the girls have been able to pull out such talent by the way their team has been able to bond, and also how fantastic they all worked together. In all, the poms team has yet again showed Clear Creek High School what they're made of, and that's talent, cheer, and success.

The theater, when all is said and done, is not life in miniature, but life enormously magnified, life hideously exaggerated.

-H.L. Mencken

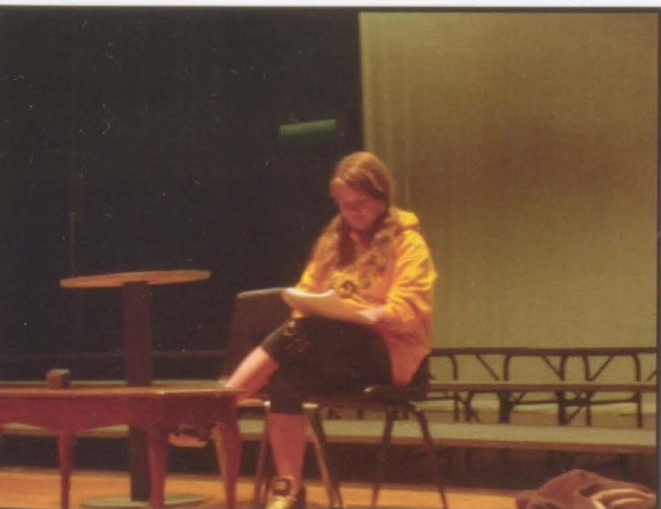

Senior Dallys S. loves the theater, she often directs the theater classes productions and enjoys it very much, she is also stage crew manager in the spring musical Footloose. This is her passion and hopes to pursue it in college.

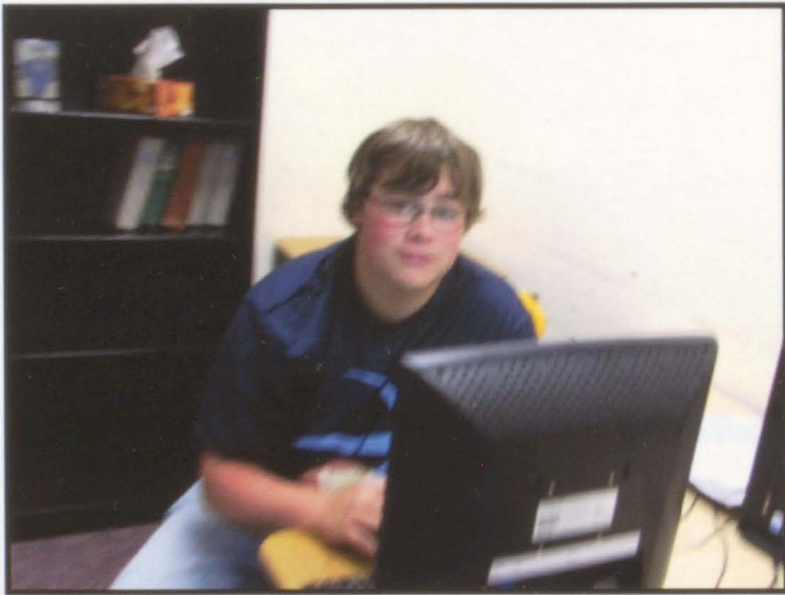

## *Connecting our roots as one*

Clear Creek offers many electives, one of them being theater, this allows the students to be able to open up in ways they normally can't, and become someone else, to be in someones else's shoes. This fun and interactive class allows people to explore new horizons, and learn about different types of theaters, and we explore new ways to portray new characters. This helps kids come out of there shells and become close to the class. It is truly a great elective that CCHS is proud to have.

The 2010-2011 science program is growing, for such a small school, Clear Creek has an outstanding science program that offers four different biology classes: General Biology, College Prep Biology, Advanced Biology, and Anatomy. It also includes three different physical sciences: Science 9, Physics and Chemistry. The program is a strong part of the Clear Creek High School program.

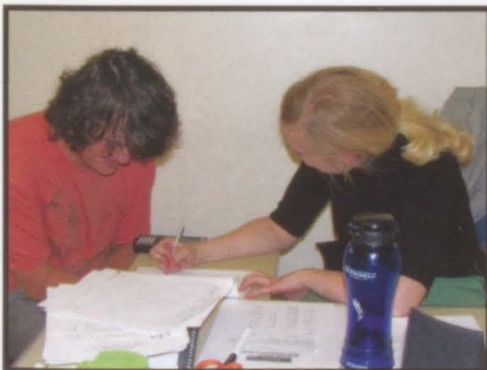

Below: Collin works hard on math.

The Math classes at CCHS also cover a wide array of areas and skill levels. A student can really advance in the math classes. CCHS offers Algebra I, Algebra II, Informal Geometry, Geometry, Statistics, PreCalculus, and Calculus. Our Math teachers, Ms. Carlton, Ms. Frederickson and Mr. Schuessler do a great job in preparing students to survive in our mathematical world.

Mrs. Smith teaches English Essentials, Mrs. (Scose) Winkler teaches World Literature I; Mr. Potter teaches World Literature II, College Prep English, and US Literature; and Mrs. Kehoe-Ramsey teaches US Literature, World History Literature and AP Literature. Each class exposes students to an array of interesting literature as well as helps build knowledge of vocabulary and grammar.

# Social Studies

Our Social Studies teachers, Miss Drifmeyer and Mrs. Jensen teach all of the Social Studies classes at Clear Creek High School. As well as the classes they teach, these two dedicated teachers are involved in supervising and coaching their own clubs within the school. Miss Drifmeyer assists Miss. Carlton in Mock Trial and Mrs. Jensen is in charge of the We the People program and Student Council. The Social Studies program at CCHS is great and will just improve over the years. We are lucky to have such great teachers in this program.

# Instrumental Music

Music   
is our common  
Language! 

Instrumental music at CCHS is filled with blooming musicians and those with unbridled talent. There are many classes taught by Mr. Yanowicz. Students are able to take band, piano, beginning guitar, advanced guitar and percussion. Students are able to explore their talents through instrumental music and show off at various concerts and musical events throughout the year.

Choir is a fun and great way to expand your vocal skills. Choir provides many fun concerts that are great for people of all ages. This year is the 2nd year for Show Choir and it has been a great success! All girls choir, Bella Voce, is a non audition choir available to any CCHS girl. Boys Choir is also non audition, but that does not mean they don't know how to sing. Finally, the Madrigal Choir, an audition choir, carols around the Clear Creek area. Mrs. Dykstra does a very good job working with all four choirs. Events put on this year by choir were the Madrigal dinner, RMICF, and two seasonal concerts. Everyone is looks forward to another great year of choir!

# The Media Center

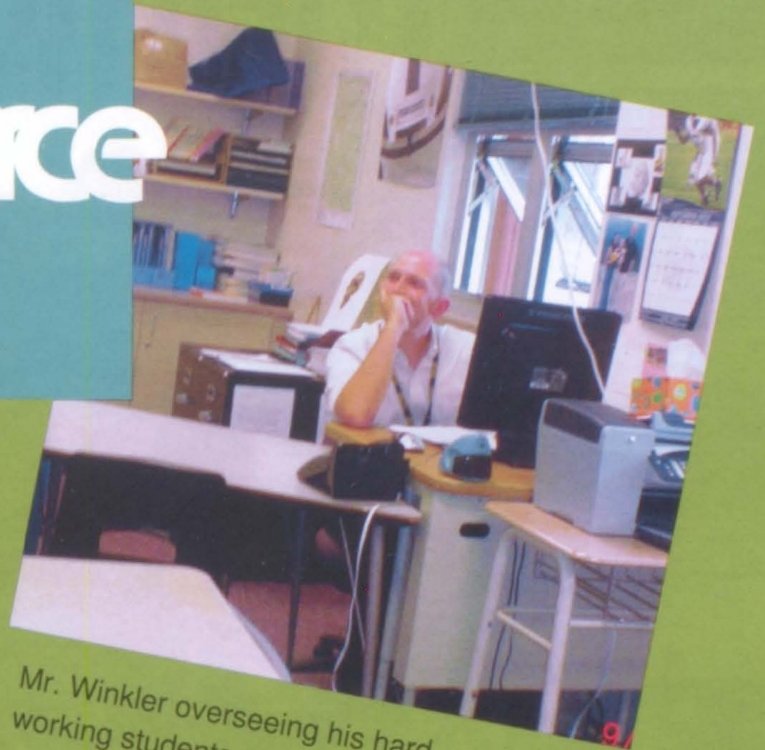

The Media center can be home to many people...it can be a calm place to read a nice book, or it could also be a place to catch up on some homework in the computer lab. Many students use the media center throughout the year and it is a very important place at CCHS. There is so much to discover in the Media Center. We thank Mrs. Helseth our Media Specialist and Mrs. Burns, Media Assistant, for helping our students discover all of the information we need throughout the year!

# Colophon and Thanks

Our yearbook was printed out of Logan, Utah by Herff Jones printing company. It contains 112 pages with an 8 page spring supplement. It also has 80# paper and is a size 700. Genise Cushman is our AWESOME yearbook representative and Trudene James is our helpful customer service representative. Natalie Winkler, without you our hard working adviser, this is not possible. Thank you to our administration, staff, people who bought ads and all of those who helped make our yearbook a success.

What does "home grown" mean to you? It means to us that we are grounded, and ready to meet life's challenges by being here at CCHS!

# Girls Soccer

The Clear Creek soccer team has grown immensely over the past few years. From playing a man down with nine players in 2009, to an astonishing 22 players. This season the captains, Hannah Wescott and Sydney Bronson have led the team to many victory's and have started a new branch of Clear Creek athletics.

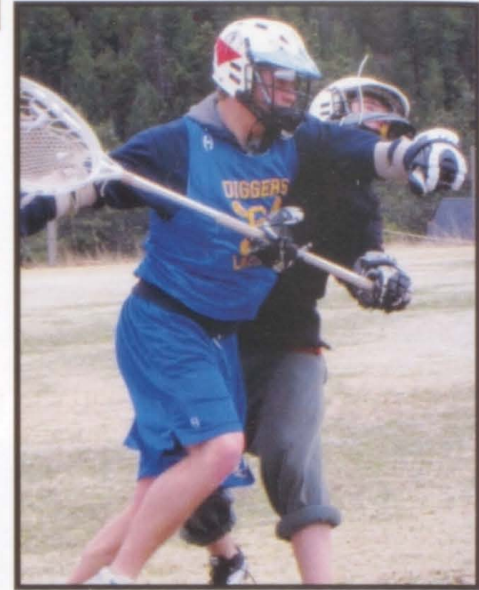

Though the Clear Creek soccer team did not make it to playoffs this year, they have grown together as a family. Soccer players have a unique bond that will forever be with them. With the dedication of our coaches they can achieve many wonderful victories.

# Lacrosse

"Lacrosse is a great sport and a great way to get outside and be with your friends. I highly suggest that everyone at least tries to play lacrosse, even if it is not competitive." - Kyle Jennings
